I'd like to support one of the following:

Annual Operating Fund – Tuition covers a portion of our operating budget. Your gift provides the financial strength to ensure we continue to provide the best training and environment for our students.

Education and Community Outreach Fund – Join our efforts to introduce young people to dance through our very successful Outreach Program: "Let's All Dance."

Parkinson's Dance Project – Modeled after the *Dance for PD* curriculum developed by the Mark Morris Dance Group and the Brooklyn Parkinson Group, your support will help continue a program that has improved the lives of persons living with Parkinson's Disease.

Pilates and Conditioning Program – It is important that our students stay in top condition and continue to build strength throughout their training. Your support of this program ensures the best in preventive health care.

Sponsor a Dancer – The cost of training a dancer can put a financial burden on a family. Your support of this program will assist a student in being able to pursue their dream- you will be a vital part in that process and in their success

Wardrobe – Your gift supports costumes, sets, and props which make our SpringFest, SummerFest, Sophie and Outreach performances extremely exciting for our dancers and our audiences.

Thank You for supporting Marin Dance Theatre!
