Elementary Piece (Raymonda Dances) and Jr 1/2/3 Piece (Bailamos) hair:

Elementary, Junior 1-3 dancers please arrive with your hair in a ballet bun and bangs slicked back. If you need help with the bun we will have volunteers on hand to assist young dancers but please send your dancer with clean, brushed, dry hair and have them bring a Ziploc bag or makeup bag, labeled with their name and these items in the bag: hair elastic, bobby pins, a hairnet that matches their color hair, and their own hairbrush.

Junior 4-Senior 2 dancer’s hair:

Please check with your choreographer on hair and earring preference.

“Pancaking” ballet slippers instruction for Me OI’ Bamboo, Concerto in Lines & Versa dancers:

- Start with a fairly clean pair of canvas ballet slippers, you do not need to buy new shoes to pancake, and slightly worn ballet slippers are just fine
- Purchase an inexpensive liquid foundation that is the same as your skin tone, purchase a foam applicator
- Put your shoes on with the laces tucked in (Do not have your tights on while pancaking)
- Apply the foundation to the applicator and gently start blotting the shoes so there is an even coating, void of any globs or heavy dark marks. Do this to the entire shoe trying to achieve an even tone. Don’t worry too much about the bottom of the shoe, they will get dirty anyway
- This must be done a few days before the shoe is to be worn so the shoe can completely dry out.
